"Where Quality Care Matters Most"

Hospice Care Association requires, by law, that all Volunteers, Office Staff and Board members have a National Police Check. These need to be renewed every three (3) years at the Association's expense. The initial National Police Check should be produced at training / induction and a copy will be taken. The Board have committed to phasing in Working with Vulnerable People Cards by 2022, this too lasts 3 years and costs will be covered by the Association.

All Volunteers are invited to become members of the Association; this is at a cost of \$5 per annum, which allows you to attend the AGM and vote or become a Board member.
